* Required Field

Welcome to SPIE Submission System!

You will be asked to provide information about your submission, including all co-author information.

Following the submission, SPIE will send the contact author an email asking that they view and approve the submission. Once the contact author approves the submission, the submission moves to the review process.

Tell us who you are:

- I am an author on this submission
 I am not an author on this submission, I am submitting it for someone else

Education:

Some meetings may include special activities for students

- * Are you a full time student?
- Most recent degree
- Graduation date

* What is the title of your paper?

- Use only lowercase letters, except for proper names or acronyms (such as GIS, LCD).
- Example: Remote sensing solutions using GIS from Associated National Laboratory

A test paper: submitting my manuscript to IWAIT 2020

Enter the **contact author** (submitting author) and all coauthors listed on manuscript. The contact author is the only author with access to the submission. Note: It is important that each author have a unique and current email address entered into the system to ensure that each author receives credit for the authorship on both the SPIE Digital Library, the paper citation, and when the papers are indexed.

Multimedia (optional)

*If you choose to submit multimedia files, your paper must contain a screenshot for each video or audio file. Include a descriptive caption beginning with 'video 1, or audio 1, and include this link: <http://dx.doi.org/doi.number.goes.here>

SUBMISSION > MULTIMEDIA: Step 5 of 8

You may associate video or audio files with your manuscript to better communicate your paper's main points.

To include a multimedia file in the online publication of your paper follow these steps:

- You may add up to 10 multimedia files. Files must be one of the types noted here (10 MB limit).

Video: mpeg, mov (Quicktime), wmv (Windows Media Player), or swf (Flash) file formats
Audio: wav, mp3 file formats

- Create a representative screenshot for each video or audio file and place them in your paper as you would a regular figure. Include a descriptive caption beginning with **Video 1**, **Audio 3**, etc. At the end of the caption, include this line:

<http://dx.doi.org/doi.number.goes.here>

SPIE staff will edit this line text and link it to the archived multimedia file.

To change the order of the files, drag the rows to the correct location.
